The Richmond Volleyball Club promotes the sport and spirit of volleyball with adult programs that range from the highest levels of play to recreational volleyball, and our nationally recognized Juniors programs for youth ages 10 to 18. Our golf tournament fundraiser allows RVC to continue to build and improve our programs and facilities and contribute to teams competing in the USA Nationals and the Juniors Nationals each year. It is our goal to provide a club that supports volleyball, the "sport for a lifetime."

This year 100% of proceeds from our Golf tournament will be contributed to the Roger Robison Fund. Roger Robison was the first president of RVC and was instrumental in founding RVC. He passed away in June 2004. Established in 2005, this fund honors his wish to provide assistance to youth who share a love for volleyball but due to financial hardship might not otherwise be able to participate.

**TOURNAMENT FILLS UP
QUICKLY AND SPACES ARE
