5 Team Pool - If everything stays on time I have built in a 30 minute break from 1 to 1:30pm. We can adjust as needed if matches run behind

All matches are two sets to 25.

Warmups are 10 minutes total, 2 minutes shared, 4 for the serving teams and 4 for the receiving team in that order.

One up ref will be provided and will keep the official score. If each team playing has an extra body that can do the flipchart that would be greatly appreciated! I am currently asking for volunteers so they aren't needed, but wanted to have everybody on standby just in case.

The first two matches will start on scheduled time. After that all matches will begin 10 minutes after the previous match. The warmup will begin once the previous match is over.

The address to RVC Stonebridge is 200 Karl Linn Drive, Chesterfield, VA.
