

2017 Outdoor Quads

Most coed 6's rules apply. Listed below are some clarifications and/or exceptions.

SERVING

- Service order remains the same throughout the game. If a player is discovered serving out of order, he/she loses the points earned in that service round and the service rotation is corrected.
- A player is **not** allowed to screen the receiving team from the server. On an opponent's request, a player must move sideways; bend over or bend down.

SERVE RECEIVE

- No Open hand serve receive allowed.

FIRST TEAM CONTACT

- Double contact with overhand finger action is NOT allowed... unless the double-contact was in defense of a "hard –driven attack. SERVED balls are "Never considered a hard-driven attack"
 - Hard Driven ball is determined by: 1) defense is a reactive nature 2) speed/pace of ball 3) distance/time

ROTATION

- Players are free to position themselves anywhere within the court. There are no positional faults.
- Ideally there should be 4 players: 2 women and 2 men. Playing with 3 women and 1 man is acceptable. One woman must be designated to play by the men's rule. No more than 2 women can hit and block in front of the ten foot line. In order to avoid forfeiting, a team can play with three players provided there are more women than men playing.
- Service order must remain the same as listed at the beginning of the game with the referee.

NET PLAY

- It is **legal** to cross underneath the net *only if* there is no contact and/or infringement of play. If there is interference with the opponent's play it will be deemed a fault.
- It is illegal to touch any part of the net between the antennas.

HITTING

- No open hand dinks.
- Co-ed rule is **not** in effect.

BLOCKING

- Blocking does not constitute a team contact, and any player may make the first contact of the ball after the block.

PASSING

- Hand sets that drift over the net are **not** legal.
- If a player sets the ball across the net he or she must be square to the flight of the ball, which is not necessarily perpendicular to the net.

Additional REVERSE QUADS Rules

- Male players may not attack the ball in front of the 10-foot line. Male players in front of the 10-foot line may play the ball over the net at any height so long as the ball travels in an upward direction.
- Male players may not participate in a block.
- The net is set at Women's height.
