Travel/City League Financial Agreement 2018-2019

I have given permission for my child to participate in RVC Juniors. We have discussed the risks, commitments and sacrifices involved and are committed to the program. I understand and accept the financial obligations of participating, with the following in mind:

- As a benefit of playing with RVC, I may choose one of two payment options - 1) credit option which allows me to be invoiced for fees owed after they have been incurred. **This option is only available if my social security number is provided below** or, 2) lump sum payment option wherein I will pay the entirety of the team fee upon my child's placement on a team (generally in December) and a second payment (first week of February) of all estimated travel fees for the season. Estimated travel fees are listed in the Player/Parent Handbook. A credit card will be held on file to cover these two payments.
- If I choose option 2, I understand that I am responsible for any expenses above the estimated amount and that I will receive a refund if expenses are lower.
- The \$225.00 registration fee includes- \$60 RVC membership, \$110 fundraising commitment (for City players it is a \$50 fundraising commitment and \$60 team fee deposit) and \$55 administrative fee. It is only partially refundable if we choose not to participate regardless of the reason.
- Once selected for a team and a verbal commitment has been given, the non-refundable team fee will be added to the junior's account and is due by the first day of the following month.
- Included in these team fees are: uniforms (excluding bags), practice facilities, equipment, coaches' education and salary, program administration and a volleyball for the travel teams. City teams are non-travel teams and their uniform will consist of a uniform top only.
- If I choose the credit option, a statement will be available on my player's account the first week of each month for all expenses incurred from the previous month. Payment in full will be expected by the first day of the following month. Any payment received after that date will be considered past due (no grace period) and I will be charged a \$25 service fee. I also agree to pay RVC interest on any delinquent payment from the date thereof until paid at the rate of 1% per month. Please contact Patti Nelms, Director of Administration, if you would like to discuss a payment plan. She may be reached at pnelms@rvc.net.
- Players are responsible for sharing all team expenses (coach's travel expense, coach's meal expenses, van rentals, hotel rooms, tournament registration fee, etc.), regardless of whether or not an individual participated in a particular event.
- I understand that I am obligated to pay all expenses incurred by RVC for the various tournaments, the only exception may be if my child becomes injured while participating in an RVC team practice or match. In that case, I must obtain an excused absence in writing from the Juniors Technical Manager. The manager may be reached at jrsprograms@rvc.net. I understand that my child's coach does not have the authority to waive or dismiss fees.
- Chaperones are needed for all out of town multi-day tournaments. If a parent chaperone is not identified prior to the tournament, a \$300.00 chaperone fee per night will be charged to the team. For convenience, chaperones will have a room reserved for them (but not paid) under the team block.
- Team fees and budgets do not include the costs of parent travel; please realize we budget solely for the cost of the players to participate in the tournaments.
- Payments may be made by cash, check, and most major credit cards. Credit cards will be accepted only on-line at www.rvc.net or in person during normal office hours. Credit cards can no longer be accepted over the phone.
- Players will immediately become ineligible to participate (practices, tournaments, etc.) if any payment is 30 days past due and will remain so until the account is brought current.
- I will also be responsible to pay all expenses, including reasonable attorney's fees and expenses, incurred by RVC in seeking to collect any amounts payable hereunder which are not paid when due.
- Delinquent parents may be asked to submit checks in advance or supply a credit card authorization for payment.

Additional obligations:

- Team selections are made by a group of coaches; I trust their judgment and will support my child and the team selection.
- As a parent, I agree to always show proper sportsmanship as outlined in the player/parent handbook.

I give my permission to Richmond Volleyball Club to use my child's picture or likeness, which may be taken at any activity or event, for use in advertising, promotional materials, website displays, or publications.

This agreement may be canceled if the Participant becomes disabled or so severely injured while participating in an RVC activity that he/she cannot practice or compete for more than three (3) months (Disability), or the Participant's estate cancels the Agreement in the event of the Participant's death.

We take commercially reasonable precautions with respect to social security numbers. Access is restricted to our employees and necessary service providers who need access to the information.
