**Electronic vote to approve purchase of strength and conditioning equipment (quote attached)**

At the January 22, 2020 board meeting, Executive Director Darcy Carroll shared a quote from Legend Fitness (attached) for the purchase of strength and conditioning equipment for the currently empty training room. She stated she believed it would be in RVC's best interest to invest in equipment that can be used by members, especially our juniors, to improve their strength and conditioning. Along with Bon Secours, RVC received quotes from three different vendors. Ms. Carroll stated she believed the attached vendor, Legend Fitness of Knoxville, TN to be the best choice.

To allow time for review and consideration, a motion was made to allow an electronic vote on whether to accept this proposal and move forward with the purchase of the equipment. On February 6, 2020, an email was sent to all current members of the Board of Directors asking them to approve or not the purchase. The director's votes have been recorded above.

The motion was passed.

Respectfully submitted,

Darcy Carroll  
Executive Director
